### **New Services Director Appointed at Rhead Group**

The Rhead Group is pleased to announce the appointment of Philip Evans as Services Director with responsibility for the co-ordination of technical and functional departments and the integration of services provision to the benefit of our international clients.

A qualified mechanical engineer, and a member of the institutes of gas engineering, corrosion and the Federation Europeene d'Associations Nationales d'Ingenieurs FEANI Eur Ing, Philip brings a wealth of experience of working in construction in heavy civil engineering schemes in the oil, gas and energy sectors, including the project management of a number of major pipelines across the UK.

Andrew Ferguson, Managing Director, Rhead Group, commented: "We are delighted Philip has joined us at this exciting period in the company's development. The Rhead Group has an enviable reputation in the industry for the quality of our expertise and service and it is essential we build on this reputation as our operations expand. Philip's previous experience of working on behalf of the Rhead Group has demonstrated his talent and we look forward to benefiting from the skills he brings."
