### **Rhead Group appoints new Head of Commercial Services**

The Rhead Group is pleased to announce the appointment of Jonathan Harries as Group Head of Commercial Services with responsibility for post contract commercial services and project compliance.

A BSc qualified MRICS Quantity Surveyor and M.Inst CES, Jonathan has over 25 years experience in the construction industry having worked on heavy civil engineering schemes in the highways, marine, oil, gas and energy sectors.

Prior to joining the Rhead Group, Jonathan was Head of Commercial for a major UK project engineering contractor with a contract portfolio of some £100m per annum on behalf of many leading blue chip clients including Chevron, Defence Estates, EDF, ExxonMobil, National Grid, RWE, Scottish Gas Networks, Shell, Siemens, TOTAL, Wales and the West Utilities.

Andrew Ferguson, Managing Director, Rhead Group, commented: "Jonathan has a wealth of experience which will be of immense value managing the consistency of our services and the technical development of our teams. With the increasing complexity of international programmes and the evolution of our range of expert services this is an essential role. We are delighted to welcome him as a member to the Rhead Group."
