Rhead Group Appoints Commercial Director for Middle East Region

Professional services consultancy, the Rhead Group Limited, has appointed Lee Pomfret as Regional Commercial Director for its operations based in the United Arab Emirates.

Lee Pomfret re-joined the Rhead Group in January 2011, having previously worked for the company from 1996 to 2007, during which time he gained vast experience managing multi million pound programmes in Eastern Europe, Australia and throughout the UK.

A qualified civil engineer with around 20 years of international experience in the construction of major infrastructure projects in the gas, oil, rail and utility sectors, Lee is recognised as a commercial and contractual specialist.

“We are delighted to welcome Lee back to the Rhead Group family,” said Managing Director, Andrew Ferguson. “Our clients are involved in the development of ground breaking projects in the region and Lee’s expertise and wealth of knowledge will be a great asset to support their efforts.”

As Regional Commercial Director, Lee will be responsible for the management of day to day operations and for the strategic development of the Company’s business in the Middle East. He will also specialise in the delivery of commercial management support to Rhead Group clients served by the Company’s international operations.

Lee is qualified with a BEng (Hons) Civil Engineering.
